Intern Corporate Real Estate Management (m/f)

YOUR TASKS AND RESPONSIBILITIES

As part of the Bayer Group, Bayer Real Estate (BRE) is responsible for Bayer's corporate real estate management activities and therefore providing integrated real estate solutions for all Bayer divisions. BRE is looking for an intern (m/f) with the following tasks:

- Gain insights in the integration of a corporate real estate management (CREM) concept into Bayer's business strategy
- Support Bayer's global real estate activities by developing new and maintaining existing processes as well as technical, legal and commercial standards
- Carry out data analysis and prepare respective presentations for the CREM Management Team
- Communicate and collaborate across functional and geographical boundaries

WHO YOU ARE

- Currently in the second half of studies (e.g. third semester) of real estate management or similar
- Interested in more than only real estate with an affinity to the business of Bayer
- Excellent analytical skills with an affinity for numbers
- Enjoy creating forward looking ideas and concepts as well as being open-minded to new challenges
- Fluency in English (written and spoken) is a prerequisite, German of advantage

YOUR APPLICATION

We offer a voluntary internship for the minimum duration of three months (unless you have already joined the Bayer Real Estate for a voluntary internship before) or a mandatory internship according to the required length starting as soon as possible. Please apply online submitting a cover letter, your CV, certificates, proof of enrollment as well as internship guidelines of your university.
