

Internship Position

Private Equity – Real Estate Investing

Established in 1992, Cerberus Capital Management, L.P. and its affiliates comprise one of the world's leading private investment firms with approximately \$24bn under management in various funds and accounts. The Cerberus group holds controlling or significant minority interests in companies around the world. CCM is headquartered in New York City, with offices in Chicago, and Los Angeles, and certain affiliated advisory companies maintain advisory offices in London, Baarn (Netherlands), Frankfurt, Madrid, Tokyo, Beijing and Taipei.

Cerberus Deutschland Beteiligungsberatung GmbH was formed in 2002 to act as a local advisor for investments and opportunities in Germany. Affiliates of Cerberus Capital Management have recently been the most active buyers in German Real Estate.

Job Description

- Support in asset acquisition and disposition processes
- Independent market analysis
- Financial modeling and presentations
- Research commercial property details using several databases and on-line sources

Requirements

- Strong analytical and numerical skills
- Ability to analyze and interpret complex information quickly and accurately
