

e^x Intern/Working Student

eXapital is a Pan-European investment and capital advisory firm with offices in Frankfurt, Hamburg and Zurich (www.exapital.com). Our mission is to deliver outstanding capital and investment solutions for alternative assets (PE/RE/VC/Digital Infra) using latest technology.

What is it?

- This internship/working student role provides a high quality and 360° experience in a fast-growing capital and investment solutions advisory boutique
- Focused on fusing alternative assets investments and 21st century technology
- The position is of particular interest to gain exposure to:
 - Investment management & capital raising
 - Private equity / real estate / venture capital / digital infrastructure
 - International / fast-paced / tech-driven work
 - Senior yet approachable co-founders with over 60 years' experience
 - 100% independent and privately owned, on a strong growth trajectory

Work Streams where you can grow (into):

- I. Alternative Investments: analysis, underwriting and due diligence
- II. Capital Raising: Client Q&A, RfPs, preparing documentations and presentations
- III. IT/Development: directly supporting Head of IT/Development in expanding our CRM (Salesforce), web app, adding API connections and building analytics tools
- IV. **Full-time positions available subject to successful internship or part-time work**

What do we look for?

- Students of all fields with an aspiration to develop their skills in alternative assets, marketing, investments, corporate finance, M&A and/or technology
- A+ (team) players with “can-do” attitude, willingness to learn and walk the extra mile
- Prior practical experience, IT skills (Excel, Word, PowerPoint etc.) is a plus
- Work Stream I (Alternative Investments): analytical and communication skills
- Work Stream II (Capital Raising): marketing and presentation skills
- Work Stream III (IT Development): tech-savvy, programming skills (GCP, Angular, JAVA, REST) and ideally prior experience in Salesforce, Tableau, Power BI and/or dashboards
- Written and spoken English, other European / Asian languages desirable

Additional information:

- Job Start: asap and open for the whole year
- Duration: to be discussed (6 months or longer preferred)
- Format: full-time or part-time (flexible working hours, no “face time”)
- Location: Frankfurt, Hamburg, Zurich or home-office / remote work granted
- Additional European (LDN/AMS/CPH) and overseas offices (N-A/APAC) in planning
- **Please send your CV to: talent@exapital.com**
