

## Internship opportunity (w/m/d)

Bayer's Corporate Real Estate (CRE), Global Programme Management team is thrilled to announce a great internship opportunity for talented individuals. You will have the chance to work with experts, gaining invaluable knowledge and hands-on skills. We are seeking proactive and passionate candidates who thrive in a collaborative environment and are seeking to make impact.

### YOUR SKILL SET IS:

- Fluent English is a must, further languages is a plus
- Working experience in real estate and project management and / or other internships
- Experience with different cultures
- Good grades / background & experience in real estate, project management, data science
- Strong analytical skills
- Furthermore, open-minded personality, willing to contribute, creative innovative thinking

### YOU CAN POSITIVELY CONTRIBUTE TO OUR TEAM BY:

- Supporting project organization (transaction and fit-out projects) e.g. reviewing calculations& valuations, creating and reworking presentations
- Documenting project deliverables
- Preparing, maintaining, and adjusting project's action plan
- Liaising with project members on project's action plan
- Conducting various types of on-demand research

You will be working in a very diverse multiskilled team of experts reporting to Head of Global Programme Management & Strategic Facilities Management of Bayer's Corporate Real Estate.

Master's students are highly preferable, otherwise Bachelor's with extensive work experience. Desired time frame for this opportunity is 9-18 months with at least 2 full days or 4 half days per week including being regularly on-site.
