

INTERN – REAL ESTATE INVESTMENT MANAGEMENT

Location: Frankfurt am Main

Term: ideally 5-6 months, starting Q2 2025

EDMOND DE ROTHSCHILD REIM

As a conviction-driven investment house founded on the principle that wealth should serve to build the future, Edmond de Rothschild is an independent, family-controlled financial group specializing in Private Banking and Asset Management.

Edmond de Rothschild Real Estate Investment Management (REIM) is the real estate investment management business within the group. Our integrated real estate platform brings together teams of top professionals who combine their local expertise with technical, financial, legal, strategic and commercial skills to generate value on all types of real estate assets. Edmond de Rothschild REIM employs more than 140 real estate professionals in 8 offices across 7 countries in Europe and has more than €12.9 billion of assets under management.

WHAT YOU CAN EXPECT

We are looking for an ambitious and eager-to-learn candidate for an internship in our Real Estate Investment Management Team based in Frankfurt. The candidate is ideally available for at least 5 months and has already gained real estate experience in a previous internship.

During the internship you will be part of the Frankfurt based Real Estate Investment Management team. You are going to gain exposure to a variety of real estate sectors in Germany across our existing and new investment strategies. The key responsibilities of this role will include:

- Provide input for market research
- Maintain deal pipeline and internal databases
- Assist in screening, assessment and underwriting of investment opportunities
- Support due diligence processes and deal execution
- Assist business development and capital raising activities

WHAT YOU WILL BRING

- Students who have at least four semesters of their Bachelor's degree or preferably Master degree students with focus on Finance and/or Real Estate
- Proficient set of quantitative, qualitative and interpersonal skills
- In particular, high degree of analytical competence, first contact with financial modelling and affinity for real estate
- Strong relationship building skills combined with solid verbal and written communication skills in fluent German & English
- Ability to function in a team-oriented setting with strong sense of self-motivation, initiative and ownership
- Attention to detail and ability to function under tight time frames while delivering work accurately
- Very good knowledge of standard MS Office (strong Excel skills are advantageous)
